

Project Open House & Business Opportunity Event

Meet the Skanska Roadway, Utilities and Enabling Project Team
Wednesday, January 13, 2021 at 1pm

About the project:

Los Angeles World Airports (LAWA) has awarded a 5-year design build contract to Skanska for the Roadways, Utilities, & Enabling (RUE) project at Los Angeles International Airport (LAX).

Skanska invites the Local, Small and Veteran Owned firms to attend a virtual “open house” to meet the project team and – **learn how your business can get involved with the LAWA RUE project!**

Known upcoming scopes of work include saw cutting and operated water trucks. Potential future opportunities include roadway, underground utilities and heavy/civil work.

When:
Wednesday, January 13, 2021
1 PM - 2PM

Where: [Webex](#)

Questions about the event:
